IMPORTANT REMINDERS

2. **PROPS** - The placement or setting up of props and/or sets should not impact the time constraints of the competition. Sets or large props should be constructed backstage and wheeled on and off within 10 seconds. Smaller props (chairs, pictures, flowers, etc.) should be brought on and placed by the dancers.

We do not want to see any routine penalized. Please adhere to the above rules.

The schedule was arranged to accommodate many conflicts. All dancers/routines have at least 7 routines or more to change. Please remember that we usually run ahead of schedule.
